December 2009

Dear Member,

Newspower December Statement

Would all members please ensure that because of the extra holidays this year and the postal Christmas rush, payments arrive at the **Newspower** Office on or before the 20th of December? It would be very helpful if you could check your statement immediately on receipt, making **payment by return**. Those members using the **Direct Debit** scheme are not affected.

Suppliers Trading Booklet 2010

Next month **Newspower** will be issuing every member as usual with a new terms booklet for the year 2010. In addition to the basic information on suppliers, this year, we will be including short profiles on individual suppliers. 2009 has been a steady year for **Newspower** members - let's make 2010 even better! Support your **Newspower** suppliers!

Newspower Shop Insurance

Is your shop insurance premium due this month? If so, contact **Stuart Higgins**, the **Newspower** Insurance Scheme broker, for a premium quote - you may be pleasantly surprised.

Christmas & New Year Office Holidays

*Please note that the **Newspower** office will be closed on the Friday and Monday of each week i.e. 25th and 28th December and 1st and 4th January 2010*

P & H Snacksdirect

Over the last few years we have seen a number of suppliers experiencing financial difficulties, many of these have ceased trading leaving retailers to seek new avenues of supply. Snacksdirect have now announced that it will cease trading with all buying group members on a credit basis from the end of December, and will only accept cash sales thereafter. Disappointing news as many members have supported them for a long time. However perhaps time to make a change! **Newspower** is delighted to advise members that a full supply of snacks & crisps are available from our wholesaler **J.W. FILSHILL** and with group discounts.
